To Whom It May Concern:

RE: Potential Additional Spacing for Village Business Establishments

During these unprecedented times, the Village of Tequesta in an effort to help our valued business establishments fully utilize their available property space, is offering to provide temporary special event permits where feasible. Please note that American Disabilities Act (ADA) requirements must still be met.

If your business has additional outside areas, such as sidewalks and parking lots, that can be used for seating, and you would like to apply to use that space, please complete a special event permit application at the following link:

<http://www.tequesta.org/DocumentCenter/View/10376/Special-Event-Permit-Application>.

Please email your completed special event permit applications to permits@tequesta.org. Please note that the special event permit application fee will be waived for these permits.

Building Dept. staff is available to meet with you at your business location to provide you with advice regarding whether you have available space that can be utilized. If you have any questions, please contact the Village of Tequesta Building Department at (561) 768-0450.

Yours sincerely,

Jose Rodriguez
