## STAR Award Program

Tequesta residents, businesses, customers and Council members have a unique opportunity to help identify and recognize the Village’s STAR employees via our new Service Recognition program. Village Manager, Jeremy Allen, spearheaded this customer service initiative as one of his first duties. He defines a Service Star as any employee who "raises the bar above and beyond the Village's customary high performance standards!"

- S** - Service with a smile (courtesy)
- T** - Teamwork (cooperative spirit)
- A** - Amazing (can-do attitude)
- R** - Responsiveness (commitment to communicate)

If you would like to nominate an employee to receive this award, please complete the STAR Nomination Form and return it to Human Resources. The [nomination form](#) can be found on the Village’s website under Human Resources.

# Bike Rodeo

# BIKE RODEO

Giveaways - Goody Bags - Safety Lessons

FEB 8, 2020

# Jupiter Federal Bridge Replacement Project

We have received some inquiries regarding the future construction and improvements on the US 1 Bridge. Below is some information we have received from the FDOT:

Anticipated construction activity schedule:

- Summer 2021 – Intersection improvements begin
- Late Summer 2021 – Pre-detour phase bridge construction begin
- Spring/Early Summer 2022 – Detour phase begins

As we receive updates from the FDOT, we will share them with you via social media, our website and CodeRED email/text alerts.

---
