To our Village Residents and Customers,

**SUBJECT: CLOSURE OF VILLAGE HALL AND VILLAGE FACILITIES DUE TO THE CORONAVIRUS**

Out of an abundance of caution for the health and safety of our residents, customers, and employees, Village Council and Village Management mutually agreed to close Village Hall doors as of March 18, 2020 at 5:00 PM. The Parks and Recreation building will also be closed although Constitution Park will remain open to the public. We believe that by following guidelines set forth by the Center for Disease Control (CDC), the Village of Tequesta is doing its part to help contain the Coronavirus (COVID-19).

Be assured that all essential Village operations will continue. Police, fire-rescue and water distribution will continue without interruption. Village Council will continue to meet and provide governance. Utility bills can still be paid online and check payments can be dropped in the drop box outside of Village Hall.

Staff will remain accessible to you and can be reached by phone, or an appointment can be made to see them at Village Hall. A complete phone listing of staff is available on our website at <http://www.tequesta.org/directory.aspx>. A listing of the main numbers for each department is attached.

We are committed to doing everything we can to maintain your health, safety and welfare. Thank you for your understanding and patience during this challenging time.

Sincerely,

Abby Brennan  
Mayor
