

McCarthy's Irish Pub

McCarthy's Pub is one of the premier Irish Pubs in Palm Beach County. We are located on US Highway One in the Village of Tequesta, just south of the Martin County line. McCarthy's is your "home away from home" with classic Irish food and drinks. Happy hour and bar bites are served from 4pm to 7pm and Tito's mixed drinks are \$5 every night all night long! Try our famous chicken pot pie, shepherd's pie, or the best fish & chips around. Customer favorites also include lamb lollipops, corn beef sliders, Mahi tacos, gorgonzola salad, & Irish Reuben!

Brendon McCarthy, owner, cares about each and everyone that enters his establishment, as if they were his own family. His wish is that you come in to relax, have a good meal, share a drink and have a good time! If there is something special you want, just ask. He'll do his very best to make sure your night at the Pub is the best!

Hope to see you at the Pub sometime soon.
