63	Nothing there's so much development going on everywhere in this small town lately. It used to be a small nice beautiful beachside town that seems to be turning into a large housing development and that makes the small town feeling disappear into another big city that people move from and now it's so expensive to live here that it feels like only the wealthy can afford tequesta. Maybe that's why all the big houses are being built on Riverside Dr though.	3/18/2023 10:02 PM

71	I love living in Tequesta. Everything is very close, grocery shopping, library, City Hall, Police, Fire Dept., EMS, small businesses, amazing restaurants, post office -everything is right here. We DO NOT need to build anymore here. Please keep the Village cozy and quaint. Commercial building needs to stop - only remodeling, if necessary. Please don't build on Paradise Park, we love the activities that occur there such as Tequesta Fest, chilli cook off etc. DO NOT turn this in to another sprawl like Boca. We now have to deal with the terrible fall out from the US1 bridge closing for several years and the narrowing of US1 to add the bike lane has just made it horrible traffic wise. I might add that no one uses the bike lane they all use the sidewalk, so why was this done?	3/17/2023 9:55 AM

76	Very concerned about the fertilizers used on private and commercial properties that run off into our storm drains that end up in the Loxahatchee River. Would like to see a moratorium on new commercial and multi unit residential properties that add more black top and less trees	3/15/2023 7:44 PM

80	I feel that light pollution from residents using ultra bright blue type LED bulbs on their homes at night is a bit annoying. Same goes for over lit landscape lighting. Perhaps not the answer that pertains to the "Village" directly. Is just an observation of what I see throughout the Village. I do not know if Dixie Hwy is part of the Village, however, if it were I feel like it needs major updating/repaving. has altered the ecosystem . The marine ecosystem has been damaged as per a biologist on the beach. This is now irreparably damaged and fishing is non existent now. Who knows how this will impact turtle nesting on the beach. Not to mention that the sand is not like the beach sand present before. The consequences will have a huge impact on the recreational value of the area.

87	What concerns us is the blatant overdevelopment of the village taking green space to construct multi level town homes and shops and encroach on the beach which multimillion dollar units cast a shadow on our beautiful coral cove beach front Many people are unhappy with the village because of walls over development and feel that they don't have a say and the choices that the village has made . We have seen information that the village plans to develop paradise park which would be a huge project impacting traffic and congestion in the area also the To new multi level buildings on US1 across from Publix do not fit in to the village atmosphere. #	RESPONSES	DATE
1	Making a more golf cart friendly village.	4/4/2023 12:09 PM
2	Wish the Tequesta Police would have their marine bureau patrol the Carriage House dock more often to ensure that non-residents not use the property & dock for their own personal use.	3/31/2023 8:51 PM
3	Police should enforce speed limits in residential areas more and golf cart safety.	3/31/2023 4:56 PM
4	I think reconfiguring US1 from six to four lanes was the dumbest decision by the Village EVER!!	3/31/2023 4:49 PM
5	Restrictions on housing / property purchases for rental purposes (such as AirBnB and seasonal rentals)	3/31/2023 4:47 PM
6	Revamping the south cypress drive business district to include walkable shaded areas, some continuity.	3/30/2023 8:21 PM
7	Moving all utilities underground should be a priority as it improves reliability during storms, increases property value and is more visually pleasing.	3/30/2023 6:34 PM
8	Please bring back 3 lanes to US1.	3/30/2023 9:34 AM
9	Not sure who I need to contact regarding the issue above	3/30/2023 6:34 AM
10	The over development of tequesta is a threatening issue to the people and its environment. Our beautiful beaches are being obstructed by ugly massive condos and pent houses. The village is allowing a park to be turned into condos on tequesta Dr. It's horrifying what the village is turning in to in comparison to the village I grew up in and it needs to stop	3/29/2023 8:45 PM
11	Village should consider utilizing undeveloped village owned properties for storage of boats for residents; it would also help generate income for the village.	3/29/2023 7:19 PM
12	I wish you could own Paradise Park land	3/29/2023 5:36 PM
13	I would like to see the Village provide accessibility for Golf Carts as a means of transportation within the Village. Many residents already have them, it would be more environmentally responsible, and currently there is not a sustainable plan for golf carts to coexist as a means of transportation, meaning not driving down Tequesta Drive as an example unless they use the sidewalks or road which currently impedes others traffic or Residents.	3/29/2023 4:34 PM
14	No more unnecessary spending. For example Tequesta is 2.2 sq miles and we now have a motorcycle police.	3/29/2023 2:52 PM
15	Stop the influx of development. We do not need more high rises. Not enough street capacity for hundreds of residents in a small area.	3/29/2023 12:44 PM
16	Code violations are skirted by residents that know the village staff inspection schedule, and place infractions after 4pm and remove infractions on know days of no inspections. It's very frustrating and difficult as a fellow resident to have negotiate neighbors that abuse the codes. Neighbors shouldn't have to be in that position.	3/29/2023 12:31 PM

22	I love living in Tequesta. I have the best quality of life here.	3/28/2023 7:00 AM
23	Need more communication on what is going on in community so council gets more input. Most residents did not vote on March 14	3/27/2023 6:39 PM
24	Do consider and move forward with underground utilities. Thank you.	3/27/2023 3:56 PM
25	Golf carts are or should be a huge concern. Someone is going to be seriously hurt. They drive them at dusk and if we are going to allow these vehicles then we are certainly in need of more street lighting.	3/27/2023 2:03 PM
26	I know the post office is a federal building and the VOT doesn't have juristic over this land, but it is a mess, and the new lights are over the top and invasive on the residential property that surrounds it. What can we do about it? Thank you, I love the VOT!!	3/26/2023 11:10 PM
27	making sure the re/green lights are timed properly...it has been a nitemare esp with the bridge being closed	3/25/2023 4:35 PM
28	The way people run the stop sign(s) at the northern entrance of TCC and Turtle Creek.	3/25/2023 9:48 AM
29	We live here in our "Slice of Heaven" and the VOT overall does a great job.	3/24/2023 7:26 PM
30	Better marine patrol. To many speeding boats in Loxahatchee River and teens jumping from bridge. Bridge needs beautification. Boats in yards and on street are unsightly. Golf carts are a problem. Often teens or parents with infants driving on street with no seatbelt and holding child or pet on lap. Golf carts do not belong on roadway and a lot of times riders are having cocktails.	3/24/2023 6:58 PM
31	Passive traffic calming on N Cypress, automatic speeding detection with photo and citation capabilities.	3/24/2023 6:34 PM
32	Don't let the county take over our police & fire/rescue!	3/24/2023 4:27 PM
33	Spend minimally, build reserves, get ready for recession, risk management	3/24/2023 2:23 PM
34	Very angry at the pace of development, new high rises too close to beach, developers swarming in to our more concrete, get their money and move on. create stricter rules-codes on growth. Tequesta is a jewel and it is on its way to becoming a concrete jungle (as we've seen south of here) and is a threat to our remaining natural areas. It's not always about making money. Have we not learned anything as we see the development clogging and diminishing quality of live. Offering tax incentives for residences to build or retro fit properties to become more energy efficient to combat global warming.	3/24/2023 1:41 PM
35	Get rid of the concrete plant on Old Dixie with a repurpose plan like a Tri-Rail train station on west side, with a parking garage across the street on the east side, of Old Dixie. Address the ugliness of Old Dixie Highway from southern boundary to County Line Road ASAP. VOT needs to direct more funding to externalities unrelated to public safety and worker's pay and benefits. VOT is not investing sufficient funds for the overall betterment of its attractiveness and the beauty of its public rights-of-way.	3/24/2023 1:34 PM
36	Generate revenue from non-residents and snowbirds. Such as seasonal or yearly passes for entry and parking to parks and beaches. Open all events to non-residents with a small fee. Hotels and rentals should pay a fee to the village for guest passes for use of the village facilities.	3/23/2023 8:09 AM
37	Life is good here	3/22/2023 10:31 PM
38	None	3/22/2023 12:04 PM
39	No new development. We have plenty residents- no need for more traffic. Need more walking space	3/22/2023 7:47 AM
40	Traffic management must be a priority. Manage all that is happening by developing plans and deploying traffic police to difficulties no matter what agency created them. Quit eliminating lanes and turn lanes that relieve congestion.	3/22/2023 6:57 AM
41	Keep costs down	3/22/2023 12:04 AM
42	More Pickleball Courts	3/21/2023 10:33 PM
43	We need to keep our parks /green areas and not allow more buildings that are 4 stories high.	3/21/2023 5:33 PM

44	Would like more restrictions on parking on streets in the country club. Streets are already narrow and people walk in streets with dogs, children, etc. Cars have difficult time even driving. Need underground utilities desperately!!!	3/21/2023 2:17 PM
45	I walk at the park almost daily. The teq maintenance worker that maintains the park sure does work hard.	3/21/2023 12:21 PM
46	Keep up the great work!	3/20/2023 9:38 PM
47	i love Tequesta living	3/20/2023 9:06 PM
48	The water bills are outrageous and we are not allowed a well. We need a water treatment plant that can handle all residents so we don't have to pay a premium for bringing water in from Jupiter.	3/20/2023 8:41 PM
49	Please enforce golf cart and e-bike laws. Address the amount of trash that is flying off golf carts. Post laws on both topics in all village publications and post notice at golf course.	3/20/2023 4:28 AM
50	Sad to see the loss of our "village" due to the addition of commercial buildings and condos. This has added to our traffic woes. Also believe we should have access to police department activity. It would help us to beware of crime instead of being in the dark.	3/20/2023 12:23 AM
51	I would love to see Paradise Park purchased by the Village and preserved for open space, park, village events instead of being considered for high density (over)development. Too bad the recent land acquisition, open space bond referendum tried to squeeze non-related items in with it (traffic mitigation, etc), which is why the residents voted it down.	3/19/2023 7:53 PM
52	This is a amazing place to live and enjoy most of tequesta. The streets and sidewalks definitely need some maintenance attention. The police and fire dept are awesome and i feel safe as a resident in this community	3/19/2023 12:54 PM
53	I have friends that live on county line rd but on palm beach side. I wonder why when taxes are paid to palm beach county and the utilities are paid to the Village of tequesta the village acts as if they are outcasts and not allowed to participate in anything the village does (holiday gatherings, special events, etc). They have just as much a right to village activities as incorporated residents do. Please be considerate if something is for the village of tequesta then it should be for all of tequesta residents not just an exclusive few.	3/18/2023 10:02 PM
54	Parks and Rec management should have a more open and friendly vibe vs their controlling and regulated style that is pure opposite of the relaxing and fun parks and rec should be	3/18/2023 2:50 PM
55	Roads in TCCC continue to be sinking and bumpy throughout, and a sidewalk from the south entrance around to the El Portal/Golfview stop sign would make this area much safer for school children getting to and from the bus stops as well as all our walkers (with strollers, bikers in tow, and pets). It's currently very dangerous and doesn't promote a safe situation. I thought this was planned for late 2022, yet haven't seen or heard any updates on this issue. Please make it a priority -- especially with all the families of small children now in our community.	3/18/2023 11:10 AM
56	Please help the Village maintain its low-key, quiet Village atmosphere.	3/17/2023 5:57 PM
57	I believe that the bond to acquire land failed because of communication and timing people linked it to the commercial residential development planned for Tequesta in places like Paradise Park. They also disliked the inclusion of traffic improvements with an environmental related bond. I personally dislike the look of the development planned for the former park	3/17/2023 11:48 AM
58	Needs to be better enforcement of speed limit adherence and traffic signage especially past Turtle Creek towards Martin County	3/17/2023 10:33 AM
59	Restrict development and over building on US1	3/17/2023 10:24 AM
60	DO NOT turn this beautiful little town in to another disgusting urban sprawl like Boca. Keep it the same as it is, that is why people live here. NO MORE COMMERCIAL BUILDING!! Only remodeling should be done, if necessary or building in the exact same place. We also now have to deal with the terrible fall out from the US1 bridge closing for several years and the narrowing of US1 to add the bike lane has just made it horrible traffic wise. I will add that no one uses the bike lanes on US1 -they all use the sidewalk, so why was this done? Federal money? Worst decision that could have ever been made with the bridge closing.	3/17/2023 9:55 AM

61	Please put budgetary focus on infrastructure, public services and water and stop unnecessary spending on studies such as those done with Treasure Coast Regional Planning that are unrealistic for the Village. Please stop pursuing the expansion of Tequesta Park as the Village residents will be left with the resulting maintenance costs.	3/17/2023 6:59 AM
62	Code enforcement does a great job. The breakdown with enforcement has to do with the number of steps in the process to force compliance. It should not take several months to a year to bring properties up to code.	3/16/2023 7:17 PM
63	Please bring more street light to Tequesta at night with vintage street lights. Nothing better than night walks in our adorable community!	3/16/2023 3:10 PM
64	When considering projects to take on, please consider the tax ramifications so as not to "pile on" the cost of these projects all at once.	3/16/2023 12:43 PM
65	the paving of my road needs to be redone, its in terrible condition	3/16/2023 11:56 AM
66	Please provide email blasts! We dislike social media and in 2023 the village should be able to provide email blasts like other municipalities do across the nation	3/16/2023 11:49 AM
67	Keep us quaint!!!	3/16/2023 10:38 AM
68	thanks for doing a survey monkey... I'm also happy to get onto committees for the Village. I just don't even know where to begin to find that information. kjpilly@aol.com 571.309.9255 Kim	3/16/2023 10:29 AM
69	Be completely transparent. Hold more town hall meetings to allow more feedback from residents on important topics	3/15/2023 7:44 PM
70	Very happy living here	3/15/2023 5:30 PM
71	Pump track at the skate park would be a great addition. Also stop trying develop all the land in Tequesta!! We don't need a Starbucks or some other mega brand stores in the village	3/15/2023 3:29 PM
72	Less building and decrease traffic.	3/15/2023 2:00 PM
73	I noticed that overhead power lines has been brought up in the questions. While I am fortunate to have underground lines in my neighborhood. I feel like Tequesta Drive should have all overhead lines placed underground and the Royal Palms that line the drive should be better cared for and have better continuity as they look sparse and uncared for. This drive should be as beautiful and welcoming as possible. It is after-all "The Tequesta" drive.	3/15/2023 9:26 AM
74	Limit the building of large high rises, apartments, and condos.	3/14/2023 8:45 PM
75	We have grown too much. The traffic is horrible. Please stop approving the construction of office space, homes and condos.	3/14/2023 8:13 PM
76	3 lanes back for US1. What a debacle 2 lanes are. Complete government incompetence. What an embarrassment for the village.	3/14/2023 5:43 PM
77	Keep the village with a quiet village atmosphere. We do NOT need high rises or Boca Raton/Miami here.	3/14/2023 4:31 PM
78	I would like to see an annual report from the Police Department concerning crime. I realize this is a small community, however, the residents should be aware of Police activities (petty theft, traffic infractions, car break ins, etc.) and priorities. As a theft victim the past, I have inquired about a periodic patrol on the golf course paths (using Bikes, Trikes, Scooters,?) but was dismissed. There are probably as many residents on the Golf Coarse as on the water and I think the Village has a water craft. Trying to be constructive.	3/14/2023 3:32 PM
79	Consider preserving more of our green space and natural areas	3/14/2023 10:20 AM
80	stop building nonsense stores	3/14/2023 7:06 AM

82	Please have police take charge of the new detours on A1A and old Dixie. They are ghosting the situation	3/13/2023 9:28 PM
83	The Banyan Tree off of Point Drive and Bay Harbor is because serious cause for concern. Ever since the bench was installed and the Village starting listing it on surveys as a park more	3/13/2023 9:13 PM

2023 Village of Tequesta Citizen Survey

and more people are driving to it, parking and then getting out to talk or watch their kids play. The problem is that kids and animals go running out from in between the parked cars and sooner or later an unsuspecting driver on Point Drive could hit and kill someone. It is in the best interest of VOT residents that the Banyan Tree be designated a no parking area.

84	Dislike the Mastroni building on US1, too large and too close to the street. Concerned about development in Paradise Park and Dixie Hwy. Maintain future development/ redevelopment along US1. Add vegetation to soften/ beautify area.	3/13/2023 8:46 PM
85	Open spaces, NOT overbuilding on every lot in the Village. SIZE and HEIGHT are critical in keeping our Village the one we all love and chose to move here for!	3/13/2023 8:23 PM
86	No more new development! The proposed project at Paradise park is not in keeping with the small village vibe of Tequesta.	3/13/2023 8:07 PM
87	Please consider promoting small businesses not commercial chain stores	3/13/2023 2:04 PM
88	Skate Park: maintenance to ramps, sun shade. Consideration to parter with Stop and Shop to paint a mural on rear of building or landscaping to cover unsightly wall. Constitution Park: deep cleaning/re-painting of bathrooms and more frequent maintenance. Sunshade maintenance and re-installations of shades over benches.	3/13/2023 1:46 PM
89	The Department of Rec has a new fantastic building however with little kids you are forced to walk on a busy road to use the park after or during an activity another child may be at. The bathrooms are never open. Seems to be it was made for show more than functionality. No new or exciting events have be started in Tequesta for well over 5 years. The skate park is in major need of repair and upgrades. The parks and rec vehicles are often used for personal use as well.	3/13/2023 1:36 PM
